General Membership Meeting

May 11, 2017

The May 11, 2017, General Membership Meeting of the Trans Am Club of America, Golden State Chapter, met at Sam's Hof Brau Restaurant, 2500 Watt Ave., Sacramento, CA. at 7:00 PM. Members present were Pres. Ted Bechtel, VP. Keith Thorson, Sec./Treas. J.O. Raff, Cary Ann Busterna, Robert & Fay Holland, Mike Pelletier, Jeana Kerby, Jim Nakata, Terry Trimble and Don Scalise.

The Newsletter was accepted as printed.

The Treasurer's Report was reported by Treas. J.O. Raff and accepted as delivered.

Under Old Business: Ted Bechtel reported that all jackets had been sold and delivered money to Treas. J.O. Raff. The Annual run to the Lodi A&W on Saturday, April 15th was a huge success. All together, there were 22 cars overall. Ted reported that he considers Club "caravanning" as "horrible" and recommends that member cars stay together. Robert recommends that the rear car move out to change lanes first, then rest of caravan move over in turn, that no one should move out before the "lead" car. (Usually Robert). There should be a driver meeting before departure. Since telephones and walkie-talkies are illegal, he recommended that hand signals be used. (Sounds like "past history" be-

ing repeated). Ted has requested that the following be added to the Minutes. “When the run begins, no one is to leave the staging area before the lead car. Once we are moving the lead car will signal when a lane change is needed, but no one is to move until the last Firebird blocks the lane that is needed. Then starting at the back, each car changes lanes in succession until the lead car is reached.” It was recommended that Grant Line Road in Elk Grove replace Elk Grove Walmart as a meeting place.

Under New Business: Ludy’s BBQ in Woodland will be the next trip on Saturday, May 20th. (See “Upcoming Events”).

Frank Brown is recovering from an injury. Our next Club Meeting will be on June 8th.

Robert announced that personal exposure problems exist when information is published/posted on Facebook. GPS location on photos is also a personal information exposure. Cary Ann is happy with repairs to her car at Bethel’s County Motors in Loomis. The meeting was adjourned at 8:00 PM with “car” discussion following.
